Ness Turf Equipment Expands Line of Club Car Utility Vehicles *Durable, Dependable Golf Course Transportation*

Kapolei, HI (May 5, 2014) – Ness Turf Equipment, the premier distributor of ag and turf solutions in Hawaii and the Outer Islands, announces the expansion of its Club Car[®] product line with the addition of Turf Utility Vehicles. Club Car Turf Utility Vehicles are the ideal form of transportation for supervising course maintenance and traversing across the golf course during your daily rounds.

Jason Suzuki, Sales Representative, says, “The revolutionary drive system senses the terrain for a smooth ride.” Suzuki continues, “The powerful Club Car Turf Utility Vehicles are equipped with an all-aluminum frame that won’t rust in humid climates.”

Leonard Smith, General Manager, adds, “Turf Utility Vehicles are available in a variety of gas and electric models. Club Car’s range of Turf Utility Vehicles are designed to meet all of your payload needs.” Smith concludes, “Best of all, Club Car outlasts its competition by setting the standard for reliable, durable, world-class golf course transportation.”

Contact Leonard Smith, General Manager, at 808.486.8301 for more information on Club Car Turf Utility Vehicles.
